South Texas College Fact Sheet 2012-2013

About South Texas College

Founded in 1993. South Texas College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award baccalaureate and associate degrees. More than 30,000 students attend STC, and a faculty and staff of more than 1,600 serve STC's five state-of-the-art campuses and one virtual campus.

Associate Degrees and Certificates

The college offers more than 100 degree and certificate program options in a variety of liberal art, math, social science, science, technology, nursing and allied health fields of study.

Bachelor of Applied Technology

STC offers Bachelor of Applied Technology degrees in Computer and Information Technologies, Medical and Health Services Management and Technology Management. The college is the only Texas community college accredited to offer three BAT degrees.

Dual Enrollment Opportunities

STC has instituted a variety of dual enrollment programs, including early college high schools, drop-out recovery programs, academies and other unique initiatives with high schools throughout Hidalgo and Starr counties. The programs allow eligible students to take college courses with the opportunity to earn certificates and associate degrees while attending high school. Combined, more than 10,000 students are currently enrolled in these programs.

eSTC Virtual Campus

Through the college's new virtual campus, students not only have access to more than 500 online courses, they can also take advantage of library services, admissions, advising, payment services, financial aid, bookstore and testing. STC also offers 10 online associate degrees options so students never need set foot on an STC campus to earn their degree.

Continuing, Professional and Workforce Education

The program provides opportunities for lifelong learners who want to upgrade their skills, change careers, renew licenses and certifications, or seek personal enrichment. There is a wide variety of course offerings including online classes. Additionally the division also offers customized training to area businesses, industries and the community. Training programs are tailored to a client's specific needs in terms of content, schedule and location.

The college is the fiscal agent and home of the executive offices for the North American Advanced Manufacturing Research and Education Initiative. STC serves as the Regional Institute for Advanced Manufacturing linked to all community and technical colleges in the region. The college has taken the lead in helping train workers to fuel a regional manufacturing economy and to support innovations in advanced, rapid response manufacturing.

Articulation Agreements

For those students who wish to continue their education beyond an associate's degree, STC has more than 60 articulation agreements in place with colleges across the country.

Vital Statistics

- More than 70% of student population are the first in their families to attend college
- More than 95% of students are Hispanic
- More than 88% of students (not including dual enrollment students) take advantage of some form of financial aid
- Class size averages 25 students per faculty member

In accordance with the Americans with Disabilities Act of 1990, Title IX of the Education Amendment of 1972, and Section 504 of the Vocational Rehabilitation Act of 1973, STC provides accommodations as required by law to afford equal educational opportunities to all people.

For questions about the accreditation of South Texas College contact the Commission on Colleges at (404) 679-4500.
