Please join our President, Dr. Ricardo Solis, for the Kick-off Event for the Workday ERP project!

The steering committee, team members, and Workday, PTG, and Peak Performance consulting partners who will assist in transforming the College to the new cloud-based ERP system will be introduced.

The team will review the project goals, milestones, and outline the plan that will be undertaken for the next couple of years.

The winning project name will be revealed, you don't want to miss this!

Thank you for joining us as **we transition to new technology, for a new era!**
